Marcus Samuelsson 10-Piece Stainless Steel Cookware Set Reviews

This collection of celebrity chef kitchenware is made in Wisconsin in the United States. The MARCUS collection of stainless-steel kitchenware is both fashionable and practical.

The **Marcus Samuelsson stainless-steel kitchenware set** is made of a chrome steel interior, with a magnetic stainless external having a core of light weight aluminum for fast and uniform cooking. The magnetic external surface signifies that this variety of kitchenware can be utilized on any cooking surface area including even the induction cook tops.

This 10-piece set comes with all the necessary items to help you prepare any food, exactly like a professional. From sautéing to searing, to making delicate gravies, to finishing foods in the cooker or underneath the broiler, Marcus cookware enables you to do all of these.

The technical specifics of Marcus Samuelsson 10-Piece Stainless Steel Cookware Set are as following:

- 10-piece kitchenware collection consists of 10-quart coated stock pot, 4-quart coated sauce , 4-quart coated sauce pan, 12-inch coated sauté pan, 10-inch fry pan, and 10-inch fry pan
- Constructed from superior grade, triple-construction stainless-steel around a genuine aluminum core, offering excellent heating conductivity and cooking functionality
- High- quality, easy-grip stainless-steel handle remains cool to touch throughout the cooking process
- Tight-fit stainless-steel covers
- Completely safe for ovens up to 480 degrees Fahrenheit

The beautiful satin-finished and stainless-steel external provides Marcus' kitchenware the aesthetic recognition as a model of excellence. The precision-fitting and stainless-steel cover is favored because of its capability to hold on to heat inside the pan, and keep a consistent cooking heat range of food. Expanded ergonomic handle remains cool to touch for convenience in controlling kitchenware on a cook top or even in the cooker. Making fine gravies and sautéing, to searing lean meats and making sauces and soups, the painstaking focus to detail, helps make this kitchenware the top option for gourmet cooks.

Marcus Samuelsson has been the recipient of quite a few awards and has now gotten more honors than many cooks get in a life time. Marcus' belief in top quality reaches his food, services and products. His kitchenware is a proof of the standard of superiority he upholds in preparing food, and meal presentation.

In summary, the highlights of this cookware set are:

A genuine aluminium core is incorporated in the base and the edges of this kitchenware. Most other models will include a layer within the base. The stainless-steel core signifies far more uniform cooking and superior heat transmission - in essence you can have much better control over your food preparation. If you've been using low-cost kitchenware before you'll see a huge difference in how much superior your meals come out.

It is the most beautiful looking kitchenware set currently available. You'll be proud to possess this and it'll look superb hanging from the pot stand.

This cookware is durable and strong. You'll have no worries passing this set onto your children.

The All Clad 10 Piece Kitchenware Set is dishwasher safe.

So why wait! Grab the **Marcus Samuelsson 10-Piece Stainless Steel Cookware Set** now, and enjoy the difference!
